Held full time jobs while attending college full time, including a two year job as a male attendant on the psychiatric unit at South Georgia Regional Medical Center

MEDICAL LICENSES AND BOARDS

October 2002
August 1999
August 1999

Became a Certified Clinical Nutritionist CCN
Membership in the American Naturopathic Medical Association
Board Certified Naturopathic Physician by the American Naturopathic Medical Association # 03306

August 1999
November 1985
July 1984
July 1981

State of Georgia Board Certified Naturopathic Physician #19900135
Board Certification in Psychiatry and Neurology #27386
Georgia Medical License # 26292 DEA # AH9421188
South Carolina Medical License #10416

July 1981 Diplomat of the National Board of Medical Examiners

ACADEMIC APPOINTMENTS

January 1984-
July 1984 ASSISTANT INSTRUCTOR UNIVERSITY OF SOUTH
CAROLINA SCHOOL OF MEDICINE

July 1983-
December 1983 ASSOCIATE INSTRUCTOR UNIVERSITY OF SOUTH
CAROLINA SCHOOL OF MEDICINE

July 1983-
June 1984 CHIEF RESIDENT PSYCHIATRY
WILLIAM S. HALL PSYCHIATRIC INSTITUTE
Columbia, South Carolina 29202

September 1977-
September 1978 PATHOLOGY FELLOWSHIP GRANT
Medical College of Georgia

PROFESSIONAL MEMBERSHIPS

Present International Association of Clinical Nutritionists
1984- 1992 American Medical Association
1984-1999 South Georgia Medical Society

EDUCATION

July 1980- June 1984 POST GRADUATE TRAINING: BIOLOGICAL PSYCHIATRY
RESIDENCY
William S. Hall Psychiatric Institute
Columbia, South Carolina 29202

June 1980 MEDICAL DEGREE
Medical College of Georgia
Augusta, Georgia 30912

July 1977- July 1978 GRADUATE TRAINING: PATHOLOGY FELLOWSHIP
Spent leave of absence from medical school performing autopsies, teaching
medical students, served as student advisor and lab instructor.

June 1975 BACHELOR DEGREE IN PROFESSIONAL CHEMISTRY
Valdosta State College
Valdosta, Georgia 31698

LECTURES AND AWARDS

October 2004 Presentation given at the Rife 2004 International Conference in Seattle,
Washington on "*The Science of Rife: A Technical Discussion of the Science,
Electrical and Nutritional Relationships of Resonant Frequency Technology*"

March 2004 Lectured in Melbourne, Australia; Auckland, and Wellington NZ
on "*Electrical Abnormalities in Degenerative Diseases*"

November 2003 Lectured in Melbourne, Brisbane, Sidney, Adelaide and Perth, Australia and
Wellington and Auckland, NZ on "*How to Combine Nutritional Compounds to
Correct Electrical Abnormalities in Cancers*"

- September 2003 Presentation given at the Rife 2003 International Conference in Seattle, Washington on *"The Electrical Properties of Cancer Cells"*
- August 2003 Presentation given at the 12th Annual Scientific Symposium International and American Associations of Clinical Nutritionists in Orlando, FL Marriott World Center on *"The Scientific Reappraisal of the Use of Glandulars in Dysfunctional Organs"*
- March 2003 Lectured in Melbourne, Brisbane, and Perth, Australia and Auckland, NZ on *"Biophysical Aspects of Mineral Transporters"*
- November 2002 Lectured in Hong Kong and Manila on *Growth Hormone and Growth Peptides*
- October 2002 Presentation on *"Anabolic Nutrition"* for The Poliquin Performance Center in Phoenix, AZ.
- September 2002 Presentation on *"Biological Energy and Electronic Nutrition"* at Florida University of Integrative Medicine in Orlando, Fla.
- September 2002 Presentation on *"Biological Energy and Electronic Nutrition"* at the Academy of Bioenergetics in Springfield, Mo.
- August 2002 Presentation given at 11th annual symposium of the IAACN on *"Cell Membrane Health And Electronic Nutrition"* in Chicago, IL.
- August 2002 **Appointed to the Scientific Council of The International Association of Clinical Nutritionists**
- August 2002 Presentations given Auckland, New Zealand and Perth, Australia on *"Nutritional Support Of The Electronic Components Of The Body"*
- July 2002 Presentation given at Capital University of Integrative Medicine in Washington D.C. on *"Biological Energy and Electronic Nutrition"*
- May 2002 12 hour Seminar sponsored by Pacific International Nutrition given in Auckland, New Zealand on *"Biological Effects Of Electromagnetic Fields"*
- March 2002 Presentation given at Capital University of Integrative Medicine in Washington D.C. on *"Biological Electromagnetic Fields And Mineral Transporters"*
- November 2001 Presentation given at Spa 500 Conference Princeton, New Jersey on *"Turning Back The Biological Clock"*
- March 2001 Presentation: *"Cellular Biophysics"* at Tru-Light Corporation Symposium
- April 2000 Presentations given at Conference in Atlanta, Ga. sponsored by Health trust Alliance on *"Nutritional Approaches to Psychiatric disease and Neurotoxicology"*
- November 1998 Conducted double-blind research project on response of chronic pain from knee osteoarthritis with Magnetic Resonance device
- February 1998 Awarded Jacobson Resonator by Jacobson Resonance Enterprises and approval of Center for Preventive Medicine as a Beta Site for the FDA on a Double Blind Study of knee osteoarthritis, under IRB approval of the National Medical Research Institute Department of Applied Medical Physics.
- October 1998
- August 1998 Studied with the late Hans A. Nieper, M.D., renowned internist and nutritional healer of cancer and multiple sclerosis, in Hanover, Germany
- September 1998 Presentations: *"Dr. Jacobson, Can you build me a tricorder?"* and *"Medicine on the Edge of Chaos."* at the Jacobson Resonance Conference, Boca Raton, Florida.
- June 1998
- February 1998 Presentation: *"Cellular Electrical Capacitance and Mineral Transporters"* at the International Congress of Bioenergetic Medicine" in Orlando, Florida.
- June 1998 7 hr seminar presented: *"Neurotoxicology of Heavy Metals"* at Quantum Biology Symposium Atlanta, Georgia
- April 1997 Presentation: *"Heavy Metal Toxicity and Attention Deficit Disorder"* at the International Congress of Bioenergetic

June 1996 Medicine in Denver, Colorado.
 Presentation: "*Heavy Metal Toxicity and Behavior*" at the Institute of
 Quantum and Molecular Medicine Orlando, Florida

As a staff member of two hospitals, public speaking engagements were required ten or more times per year on various topics and regular CME coursework in psychiatry, chemical dependence, and nutritional approaches of diagnosis of deficiencies leading to mental dysfunction.

Publications

October 2004 the book "*DNA: Pirates of the Sacred Spiral*" was published by Tetrahedron Publishing Group. I wrote 3 chapters of this book detailing the electrical properties of DNA.

October 2002 Audio Book published "*Winning in the New World: With Help From the Power of Anti-aging Peptides and Hormones*" by Intec Publishers

September 2002 published audiotape on "*Magnetic Field Therapy*" by Global Health Solutions

July 2002 Book "*Winning in the New World: With Help From the Power of Anti-aging Peptides and Hormones*" Intec Publishing

June 2002 article published in New Horizons "*The Role of Minerals and Nutrients in Liver Support*"

Having completed lectures for drug companies in the South Georgia region to general practitioners, the booklet "*Endorphins and Alcoholism*" was published by Jemar Press, 1985.
